

## 2024 ACTIVITIES

### REPORT ON THE INTERNATIONAL WOMEN'S DAY, MARCH 2024

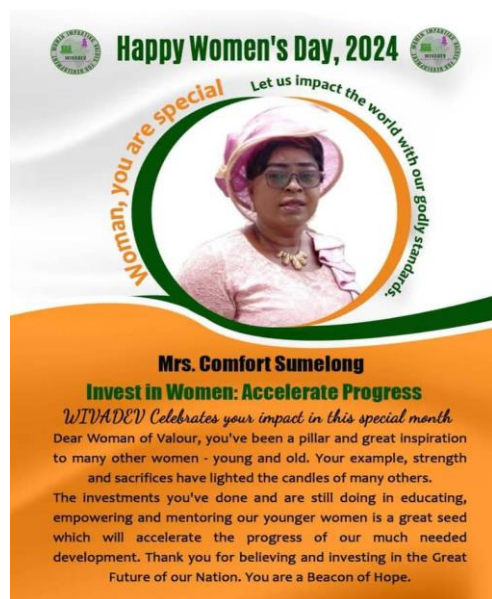

#### Introduction

Women Imparting Values for Development (WIVADEV) like every other organization has its mandate that guides its activities as a non-profit organization. It is focused on the advocacy for girl's / women's right, inspiring and modeling them to become conscious of their worth and understand their roles in the society, to guarantee their emergence as role model, leaders, and change agent in communities.

The International Women's Day 2024, WIVADEV took out time to celebrate women and girls on the various social media platform in their different sphere of life such as Health, Education, Art and entertainment, Law just to name a few under the theme **"ACCELERATING GENDER EQUALITY THROUGH ECONOMIC EMPOWERMENT"** celebrating their worth and Impact in their communities.

The celebration of this day is to show how valuable women are in the society and giving them the consciousness to empower and equip themselves for the top position thereby accelerating gender equality.

WIVADEV Celebrates your impact in this special month

Dear Woman of Valour, you've been a pillar and great inspiration to many other women - young and old. Your example, strength and sacrifices have lighted the candles of many others. The investments you've done and are still doing in educating, empowering and mentoring our younger women is a great seed which will accelerate the progress of our much needed development. Thank you for believing and investing in the Great Future of our Nation. You are a Beacon of Hope.
