

## 2023 ACTIVITIES

### THE WIVADEV INTERSCHOOL COMPETITION, MARCH 2023

In commemoration of the international Women's Day/Month, WIVADEV organized an Inter-School Competition, from the 8th -31st March, 2023. This activity brought together students from 6 secondary institutions including a Vocational center in Fako: The Apostolic Comprehensive Secondary School Limbe, the Women Empowerment Vocational Training Center, The Bridge College Limbe, UNIC Secondary School, Kemonde Veteran Comprehensive College Limbe, G.H.S Bolifamba Mile 16. The competition aimed to promote educational engagement through various artistic and intellectual activities while addressing critical social issues such as internet safety and violence under the theme, **Digitalisation For Development and Not Violence**. These activities were celebrated under the distinguished patronage of the Divisional Delegate of Women Empowerment and the Family and the Divisional Delegate of Youths and Civic Education in Limbe.

- To Educate Students on Internet Safety: It was essential for students to understand how to navigate the internet effectively, ensuring they could make the best use of available resources for their education.
- To Empower Participants Against Violence: The competition aimed to raise awareness about identifying and addressing gender based violence in the digital space, equipping students with the tools to recognize and combat same.
- To Encourage Digital Literacy: A crucial component of the event was educating students on how to gain relevance and navigate the increasingly digital world through effective digitalization strategies.

The Inter-School Competition featured activities such as Poetry, Drawing, Composition writing , Spelling Competition, Debate which several award wals handed to the best schools. The final day of the activities which took place at the Catholic events hall new town Limbe witnessed the coming together of over 250 students. The

first three institutions were awarded Desk Top Computers in addition to other electronic gadgets like flash drives.
